

### **Opportunity to Object to Gibsonville HFR Project**

The Gibsonville Healthy Forest Restoration (Gibsonville) project EA was completed and mailed out on October 18, 2017 to those who previously requested to be included on the project mailing list or submitted specific written comments related to the project. The Gibsonville project proposes to reduce the risk or extent of insect or disease infestation, restore and protect the historic Gibsonville townsite, reduce wildfire risk, release aspen, restore meadows and other wetlands, and remove hazard trees along roads using a variety of vegetation treatments. The Environmental Analysis and other information are available for review at the Feather River Ranger District office. Additional information regarding this action can be obtained from:

[http://www.fs.fed.us/nepa/nepa\\_project\\_ex.p.php?project=47960](http://www.fs.fed.us/nepa/nepa_project_ex.p.php?project=47960)

This proposed project is subject to a pre-decisional administrative review (objection) pursuant to 36 CFR 218, Subparts A and C.

Objections will be accepted only from those who previously submitted timely, specific written comments regarding the proposed project either during scoping or other designated opportunity for public comment in accordance with 36 CFR 218.5(a). Issues raised in objections must be based on previously submitted timely, specific written comments regarding the proposed project unless based on new information arising after designated public comment opportunities.

Individual members of organizations must have submitted their own comments to be eligible to object; objections received on behalf of an organization are considered those of the organization only. If an objection is submitted on behalf of a number of individuals or organizations, each individual or organization listed must meet the eligibility requirements (36 CFR 218.5(d)). Names and addresses of objectors will become part of the public record.

Incorporation of documents by reference in an objection is permitted only as provided for at 36 CFR 218.8(b). Minimum content requirements of an objection are identified in 36 CFR 218.8(d) and include: objector's name and address with a telephone number if available (signature or other verification of authorship must be supplied upon request); identification of the lead objector when multiple names are listed, along with verification upon request; name of project, name and title of the responsible official, national forest/ranger district of project; sufficient narrative description of those aspects of the proposed project objected to, specific issues related to the project, how environmental law, regulation, or policy would be violated, and suggested remedies which would resolve the objection; and statement demonstrating the connection between prior specific written comments on this project and the content

of the objection, unless the objection issue arose after the designated opportunity for comment.

The Reviewing Officer is the California Regional Forester. Objections must be sent to:

RANDY MOORE, Regional Forester  
USDA Forest Service; Attn: Plumas National Forest

13233 Club Drive, Vallejo, CA 94592

Phone: (707) 562-8737, (TTY 707-562-9240)

Email: [objections-pacificsouthwest-regionaloffice@fs.fed.us](mailto:objections-pacificsouthwest-regionaloffice@fs.fed.us)

Fax: (707) 562-9229

Written objections, including any attachments, must be filed (regular mail, fax, email, hand-delivery, or express delivery) with the Reviewing Officer within 30 days following the publication date of this legal notice in the newspaper of record. The office business hours for those submitting hand-delivered objections are 7:30 am to 4:00 pm, Monday through Friday, excluding holidays. Electronic objections must be submitted in a format compatible with the current version of MS Word. It is the responsibility of objectors to ensure their objection is received in a timely manner (36 CFR 218.9).

The publication date in the Feather River Bulletin, newspaper of record, is the exclusive means for calculating the time to file an objection of this project. Those wishing to object to this proposed project should not rely upon dates or timeframe information provided by any other source.

The USDA is an equal opportunity provider and employer.
